Letters identify colors, not stitch symbols. Every cell is one stitch, including the background.

Chart only: no written row instructions, yarn quantities, shaping, or foundation-chain recipe.

Digital draft: no physical swatch validation has been completed. Work a test swatch first.

Print with Fit on Letter or A4. Cell proportions reflect gauge, not actual printed stitch size.

Sections run left to right, starting with the bottom band. Follow global row/column numbers.

Coordinates remain fixed from the front view. Alternating rows do not mirror the image.

Keep every page upright. No repeated border rows or columns. Color key on page 1.

Local draft / unworked chart. Fit to paper; this is not a full-size stitch template.
